Meeting of Clermont International Development Hub

Meeting of the Clermont
International Development

Hub - Pôle clermontois de développement international (PCDI).

The teams of the Global Development Network (GDN), Ferdi, the [Agence Française de Développement \(AFD\) Group](https://www.afd.fr/en)(<https://www.afd.fr/en>) (AFD), and Cerdi met to launch the International Development Hub last month.

This hub is a pool of experts in international development. It is supported by the Auvergne-Rhône-Alpes Region, the Puy-de-Dôme Department, Clermont Auvergne Métropole and the Michelin Foundation.

The GDN 2022 conference will be held in Clermont-Ferrand in November 2022. The theme of this meeting will be **Fiscal Policy for Sustainable Development**.
