Call for papers, the key-dates!

The CERDI-IDREC is co-organizing the 12th  
International Conference on the Chinese Economy

with [The China Center for Economic Studies](http://www.cces.fudan.edu.cn/) (CCES, Fudan University, Shanghai) on October 24-25, 2019.

The overall theme is: "**A new era for China: Growth sustainability and Broaden International Development**".

China's growth is declining, while its contribution to the world economy is strengthening. The coming years will be crucial for the achievement of the on-going internal reforms and international projects especially for the Belt and Road Initiative (BRI).

The best papers will be published in the China Economic Review or/and in a book format.

### IMPORTANT DATES

Interested authors should **submit a detailed abstract** on the conference's website **by July 26, 2019**.

Acceptance notes will be sent before July 30, 2019.

The final version of the paper must be submitted by September 30, 2019.

**Registration** will close on **October 15, 2019**.
