Paradigms, Models, Scenarios and Practices for strong sustainability

Published on November 25, 2019 – Updated on December 6, 2019

Date

Du 04 December 2019 au 06 December 2019 De 09:30 à 17:45

Location

MSH - 4 rue Ledru, Clermont-Ferrand

The program is available now!

The Jean Monnet Excellence Center on Sustainability (ERASME)(/english-version/) organizes a symposium on strong sustainability with CERDI from December 4-6, 2019, at the MSH Clermont.

This conference intends to discuss the concept of sustainability. The participants will debate not only on environmental concerns but also on social and health issues.

Keynote speakers

Birgit Kopainsky(https://www.uib.no/en/persons/Birgit.Kopainsky), University of Bergen (Norway) & ETH Zurich (Switzerland) : System Dynamics, Education learning, food and socio-ecological systems,

Basarab Nicolescu(http://basarab-nicolescu.fr/), CNRS, CIRET : Transdisciplinarity.
