[Christopher Adam](https://www.qeh.ox.ac.uk/people/christopher-adam)(<https://www.qeh.ox.ac.uk/people/christopher-adam>), Director of the Department of

International Development at Oxford University, gave a lecture entitled "The Minimum Wage Puzzle in Less Developed Countries: Reconciling Theory and Evidence" (co-author: Edward Buffie, Indiana University).

They investigate wages in low-income countries using a dynamic general equilibrium model.

His presentation was followed by a debate with the participants of the [EUDN](http://eudn.eu)(<http://eudn.eu>) annual PhD workshop held at Cerdi (October 25-26, 2018).
