Activités / CV

After having obtained my Ph.D. in Development Economics at CERDI (Université d'Auvergne) in 2011, I got a Post-Doc position in Brazil at the Federal University of Viçosa. From 2013, I'm a Associate Professor at CERDI, Université Clermont Auvergne. My main area of research interest is agricultural, environmental and climate economics in emerging countries (China, Viet Nam and Brazil). I have published on Ecological Economics, Journal of Development Studies, China Economic Review, Environment and Development Economics, Ecology and Society, and Philosophical Transactions of the Royal Society B: Biological Sciences.
