## Activités / CV

After having obtained my Ph.D. in Development Economics at CERDI (Université d'Auvergne) in 2011, I got a Post-Doc position in Brazil at the Federal University of Viçosa. From 2013, I'm an Associate Professor at CERDI, Université Clermont Auvergne. My main area of research interest is agricultural, environmental and climate economics in emerging countries (China, Viet Nam and Brazil). I have published on Ecological Economics, Journal of Development Studies, China Economic Review, Environment and Development Economics, Ecology and Society, and Philosophical Transactions of the Royal Society B: Biological Sciences.
